About Bethel's Rehabilitation Services

Bethel's therapists provide physical, occupational and speech therapies to help restore residents to their maximum function.

Resident - Centered Approach

Bethel's team of physicians, nurses, therapists, dieticians, social workers and recreation therapists meet with each resident to evaluate their needs. Together, with the resident, they develop a care plan outlining goals and expectations for a safe and quick return to their life and community.

When to Consider Nursing & Rehabilitation Therapy

We treat a variety of diagnoses that include, but are not limited to, amputations, joint replacement, strokes, neurological diseases, cardiac disease, upper & lower extremity fractures, vascular disease, pulmonary disease, deconditioning & other such diagnoses requiring a period of rehabilitation.

Why Choose Bethel?

- Orthopedic Physical Therapy
