About The Pines Independent Senior Living

Designed for independent-living seniors, The Pines offers private apartments for an affordable, monthly rent which also includes three meals a day, utilities and weekly housekeeping.

Each one or two-bedroom apartment features a kitchenette, living room and large bathroom. And, with a variety of floor plans, each apartment offers a different appeal and ambiance.

The 50 unit residence also features ample parking for residents and guests.

In addition, residents have access to organized outings, onsite events and more.

When to Consider An Independent Senior Living Community

The Pines is perfect for 55+ seniors who are ready to downsize and be free of homeownership responsibilities.

These independent seniors can come and go as they wish, and live their lives as they did before, but without the worry of meal preparation, housekeeping, property maintenance and more!

There is the added bonus, too, of having peace of mind and a sense of security when living in a community setting. A concierge is also onsite seven days a week

Why Choose Bethel?

The Pines provides independent living seniors with an affordable way to remain living in Westchester County, near their family and friends.

Located in a quiet, residential neighborhood of beautiful homes and landscaped properties, The Pines is just minutes from the historic village of Ossining.

From the front porch, a popular gathering spot, residents have a panoramic view of the park-like grounds including impressive Pine and hardwood trees. They can also enjoy neighborhood strolls along the sidewalk-lined streets surrounding The Pines.
