

VISITATION PROTOCOL FACT SHEET

- **Limited visitation may change at any time at the discretion of the DOH or the facility**
- **Visitor's must present a verified negative test result within the last week (7 days) and visitation must be refused if the individual(s) fails to present such negative test result.**
- **If staff or resident's test positive; in-person visitation will be suspended for 14 days from the date the positive test was reported on the DOH HERDS survey**
- **All visitors will be screened for signs and symptoms of COVID-19 prior to resident access and visitation will be refused if the individual(s) exhibit any COVID-19 symptoms; or do not pass the screening questions. Please reschedule your visit if you are not feeling well!**
- **All visitors will have their temperature taken prior to visitation, if a visitor has a fever ≥ 100.0 F then they will not be allowed to visit**
- **Visitors must complete the documentation screening before the visit can occur; including contact information**
- **Visitation will be held Monday – Friday and weekends at the discretion of the recreation department's availability. Hours of visitation are 10am, 11am, 2pm and 4pm, for ½ hour intervals beginning at the top of the hour**
- **The visitation area will be cleaned and disinfected after each visit**
- **Visitation is limited to the outdoor patio only, weather permitting. In case of inclement weather visit will be rescheduled.**
- **Appointments must be made with the Recreation Department in advance**
- **Limited visitation will include family members and health care proxy's as a priority and loved ones secondary**
- **No more than 10 percent (10%) of the residents shall have visitors at any one time and only two visitors will be allowed per resident at any one time**
- **Visitors must wear a facemask at all times while on the premises-if you do not have one, a mask will be provided**
- **As tolerated, the resident must also wear a facemask**
- **Floor markings and social distancing must be adhered to during visitation**
- **Hand hygiene must be practiced with alcohol-based hand rub provided**
- **Visitation is strictly prohibited in resident rooms or care areas**
- **If a resident is in a 14-day quarantine or observation period, visitation is not permitted**
- **If any visitor fails to adhere to the protocol, he/she/they will be prohibited from visiting for the duration of the COVID-19 State declared public health emergency.**
