## **VISITATION PROTOCOL FACT SHEET**

- **Limited visitation may change at any time at the discretion of the DOH or the facility.**
- **If staff member or resident tests positive; in-person visitation will be suspended for 28 days from the date the positive test was reported on the DOH HERDS survey.**
- **Appointments must be made with the Receptionist, in advance, by calling the main number.**
- **All visitors will be screened for signs and symptoms of COVID-19 prior to resident access and visitation will be refused if the individual(s) exhibit any COVID-19 symptoms; or do not pass the screening questions. Please reschedule your visit if you are not feeling well!**
- **All visitors will have their temperature taken prior to visitation, if a visitor has a fever  $\geq 100.0$  F then they will not be allowed to visit.**
- **Visitors must complete the documentation screening before the visit can occur; including contact information.**
- **Visitation will be held Monday – Friday. Hours of visitation are 10:30am- 11:00am, 2pm-2:30pm and 4pm- 4:30pm. Please arrive early to allow time to complete the screening questionnaire. For the courtesy of others, late arrivals will not be allowed into the outdoor patio.**
- **The visitation area will be cleaned and disinfected after each visit.**
- **Visitation is limited to the outdoor patio only, weather permitting. In case of inclement weather visit will be rescheduled. Current safe social distancing within the courtyard allows for three residents at a time to receive visitors.**
- **Limited visitation will include family members and health care proxies, as a priority, and loved ones secondary. Only two visitors will be allowed per resident, at any one time. Visitors under the age of 18 must be accompanied by an adult.**
- **Visitors must wear a facemask at all times while on the premises. If you do not have one, a mask will be provided. No food or drinks will be permitted in the courtyard during the visit.**
- **As tolerated, the resident must also wear a facemask.**
- **Floor markings and social distancing must be adhered to during visitation.**
- **Hand hygiene must be practiced with alcohol-based hand rub, provided.**
- **Visitation is strictly prohibited in resident rooms or care areas.**
- **If a resident is in a 14-day quarantine or observation period, visitation is not permitted.**
- **If any visitor fails to adhere to the protocol, he/she/they will be prohibited from visiting for the duration of the COVID-19 State declared public health emergency.**
