**Winter Parking:** Please note that if you are not a "winter" driver and your car is parked in the Gloria Dei or the Emmaus Place parking lot, your vehicle needs to be moved to the "snow bird" lot. This means if you will not be driving your car at least a couple of times per week, it will need to be moved for snow removal purposes. The snow bird lot is East of Gloria Dei across Armstrong Ave. Please park on the North side of this lot. Please note that maintenance does not clean off or remove snow from in between vehicles in any lot. If you have questions, please see Rod.

**OUTINGS:** Please try to be on time when going out for outings. We will be trying a 5 minute lead way time which means if you are running more than 5 minutes late the bus will leave without you.

**SNOW SHOVELING:** Maintenance is here to shovel and plow snow when it snows even on weekends. If it snows and you are going out and it's not shoveled please make staff aware so they can shovel or call maintenance.
