

Dear Westminster team members,

During this season of thanks, we come together to break bread with family and friends. Thanksgiving is a wonderful opportunity for all of us to take a moment to give thanks for the blessings in our lives.

As Thanksgiving Day nears, I have reflected on what I am most grateful for. First among them is you, the dedicated team members, who live out the Mission of Westminster Communities of Florida every day. We also take the time to recognize challenges faced and overcome together. Your commitment to our Mission through service to our residents continues to be extraordinary.

Our team is the reason so many residents choose to move to a Westminster community. Without your commitment, high standards and hard work, we would not be the thriving and vibrant organization I see.

This year your dedication and teamwork has once again left me with a great sense of hope for the future of our organization. Let us all bear in mind the blessing from St. Paul, Romans 15:13 "May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope."

Thank you for the work you do to make Westminster Communities of Florida great. I wish you and your family a Thanksgiving filled with blessings and bright moments!

Sincerely yours,

Garry Hennis
Chief Operating Officer
