

Andy Kropff is the Director of Facilities Services at Hillside Village. Kropff will establish and oversee the Maintenance, Security, and Housekeeping Departments. At present, Kropff helps monitor construction progress on the site.

Kropff was most recently the District Manager for Amerigas in Southeast Alaska. His other previous experience includes Hospital Manager for the Wasilla Veterinary Clinic, Business Manager for two Primary Care Medical Practices for the Veterans Administration, and Director of Facilities of Birch Bay Retirement Village in Bar Harbor, ME.

Kropff earned an Associates Degree in Allied Health Science degree from the College of the Air Force. He also holds USAF Certifications as an EMT, Surgeons Assistant, and in Leadership and Management. He is also a Certified Building Operator, Water System Operator, and Propane System Operator.

His previous community service includes the Bar Harbor & Elizabeth Fire Department Safety Officer and Firefighter, Rotary International President and Director, Bar Harbor Food pantry Director and President, and College of the Atlantic Advisor and Adjunct Lecturer. Kropff also has been a lifelong Scoutmaster and volunteered in various roles for the YMCA.
