Tuesday, August 25, 2020

Cumulative Active COVID-19 Cases at The Pines as of: 8/25/20

0 cases*

*Last week's Update reported that a Health Care staff member had tested positive for COVID-19 (a result from The Pines' regular surveillance testing). This employee was immediately retested, and the result was "non-detect" for coronavirus, rather than "positive."

ADDITIONAL INFORMATION

Reminder: Schramm Health Center Parking and Entrance

As we shared last week in our 8/18 Update, The Pines is constructing a new entrance to the Nursing Wing. The reconfigured entrance will include a remodeled parking circle, which will better accommodate emergency and other vehicles. Work on this new entrance has begun, and as a result, parking is temporarily unavailable in this area.

Please park in the employee parking lot and walk up to the entrance. You can enter the Schramm Health Center through the scaffolded pathway. Please follow the signs. The rendering (on right) and link provides a conceptual landscaping design of this area: [Health Center Entrance](#).

Construction Corner

The following link is to the most recent report provided by Rodgers Builders regarding our current renovation and expansion project: [Report](#). Below are some highlights from this report:

- **Healthcare:** Second floor casework and plumbing continues; flooring installation and painting of doors for first floor continues.
- **Villa 1:** Working on covered parking; brick installation, sanding/finishing of drywall and prime paint continues.
- **Villa 2:** Working on covered parking; siding installation is almost complete; paint and casework install to continue.
- **New Davidson Room:** Overhead inspections to be completed on first floor; miscellaneous steel installation taking place.
- **Fitness Center:** Skylight installation continues; brick installation begins; interior framing is complete.
- **Sitework:** Demolition begins at the Health Center loop drive; sidewalks and site lighting all areas at Health Center begins; curb work to continue around Villa 1.

Closing Images

Resident balconies can provide all sorts of delightful views and encounters. Sarah Dyer shared a photo of a recent hummingbird visit, and Art Englebardt sent an image of his colorful flowerbox. What have you recently enjoyed seeing from your balcony or patio?
