

COVID-19 UPDATE

For Residents, Family Members, and Staff
Saturday, November 28, 2020

Late last night we were notified that a member of The Pines' Health Center Staff (Nursing) tested positive for COVID-19. This individual was tested on Saturday, November 21st as part of our regular surveillance testing. The individual has exhibited no symptoms during the last 7 days and is at home. She last worked at The Pines on November 27th.

Upon learning of the staff member who tested positive test in the Health Center last Wednesday, all Assisted Living and Nursing residents were tested. Assisted Living results were returned and no one tested positive. We are waiting on the results from tests for the Nursing residents.
