

COVID-19 UPDATE

For Residents, Family Members, and Staff
Monday, December 14, 2020

As a result of The Pines' surveillance testing, we learned today that a member of our Health Center staff tested positive for COVID-19. This individual was tested on 12/11 and has not been at The Pines since that day. The staff member will be recuperating at home under the guidance of a medical provider.

A non-Health Center staff member who had previously tested positive for COVID-19 has now recovered and can return to work, having met the return-to-work requirements.
