

COVID-19 UPDATE

For Residents, Family Members, and Staff
Friday, December 25, 2020

We learned late yesterday that a member of our Health Center staff tested positive for COVID-19. This individual was tested on 12/23 and is exhibiting no symptoms.

Two Health Center staff have recovered from COVID-19 and will be returning to work.

This is a time of great hope, given the emergence COVID-19 vaccine. But it continues to be a time of deep concern as well, especially for those residents and staff experiencing COVID-19. There are residents whose children are also recovering from COVID-19. We extend our thoughts and prayers to all these individuals, with our wishes for better health soon.

New Active COVID-19 Case at The Pines (12/25/2020)
