

COVID-19 UPDATE

For Residents, Family Members, and Staff
Thursday, December 31, 2020

We learned today that a member of our Schramm Health Center Staff (who works in our Nursing Wing) tested positive for COVID-19. This individual was tested on 12/29 and received the result today, 12/31. The staff member who last worked at The Pines on 12/24, has been exhibiting some symptoms, and is recuperating at home under the guidance of a medical provider.

We are also pleased to share that the non-Health Center staff member who had tested positive for COVID-19 earlier has now recovered.
