

COVID-19 UPDATE

For Residents, Family Members, and Staff
Friday, December 4, 2020

As a result of our regular surveillance testing, we learned today that a member of the Schramm Health Center staff tested positive for COVID-19. This individual has no symptoms and last worked at The Pines on December 3.

A Health Center staff member who had previously tested positive for COVID-19 has now recovered. This individual will be returning to work next week, having met the return-to-work requirements.

Routine indoor and outdoor visitations in our Schramm Health Center will restart on 12/15 if there are no more positive COVID-19 cases among our Health Center staff or residents before that date.
