

Heritage Haven Awarded Above Average Rating in Review

Heritage Haven, the HUD-based apartment complex located on VMRC's campus, recently received an Above Average rating by Navigate Affordable Housing Partners during its Management and Occupancy Review.

Heritage Haven is conveniently connected to VMRC's Main Street and comprises 36% of our current resident population. It includes 150 one-bedroom, three two-bedroom and four efficiency apartment homes.

Congratulations to Heritage Haven Resident Services Managers Carol Brunk and Bob Horst. Their dedicated management of the Heritage Haven program is reflected in this review rating.
