

# Curriculum Overview

**Curriculum Chair: Margaret Boonstra**

## **Humanities:**

The Humanities Subcommittee and its members cut across all spectrums and interests. Courses are offered in all different areas of the Humanities including, but not limited to law, art, literature, architecture, Florida history, interdisciplinary areas, and local, national and international topics of relevance. Each semester the Committee typically offers four to six featured courses.

**Current Humanities Chair: Ellen Efos**

### **Humanities Subcommittee Members:**

Laura Berns  
Debra Dean  
Rick Gold  
Diane Haines  
Roy Hunt  
Richard MacMaster  
Dick Martin  
Daun Spindler  
John Spindler  
Frank Townsend  
Walter Wynn

## **Science:**

The Science Subcommittee has members representing a broad spectrum of scientific interests. Specifically medicine, biology, environment, space and artificial intelligence are included, but other areas such as engineering, physics and chemistry are also considered. Each semester two to three featured courses are offered.

**Current Science Chair: Ken Berns**
