# Family Coat Drive

Right now, millions of Americans — 1 in every 6 people — are struggling to meet their most basic needs. With economic pressures, more and more families have to make the choice between eating just one meal a day or purchasing a warm coat for their family members.

Artis Senior Living of Briarcliff Manor and the Salvation Army of White Plains are hosting a coat drive so families don't have to make this difficult choice. The coat drive is for children and adults to keep everyone warm this winter. This program depends on people like you. Please take a few minutes to drop off a new or gently used coat.

*Help us keep everyone warm  
this winter!*

**New and gently used coats  
for adults and children can  
be dropped off between
