

The Artis Way Support Group

Presented By Mollie Lund, LSW, Director of The Artis Way Experience

Support for YOU!

Artis of Woodbury is here to help everyone on the journey of dementia, including you, a primary caregiver, family or friend. You are not alone, and hearing from others who are somewhere on the same kind of journey can light your way.

The support group has check-in questions, opportunities to share stories or best practices and educational offerings from time to time.

Currently, we are meeting monthly via Zoom, but will offer in-person meetings at Artis of Woodbury once COVID-19 is no longer a threat to the health and safety of residents and staff.

Please RSVP By Monday Prior To The Meeting
