

Speaking Dementia: Neuroscience-Informed Communication and Care Strategies for Dementia Caregiving Success

Presented by Dr. Sherrie All, PhD, International Speaker, Writer, Licensed Clinical Neuro-Rehabilitation Psychologist, Brain Health Expert and Director of the Chicago Center for Cognitive Wellness

Caring for a person with dementia requires learning and practicing a host of new skills. Some skills we develop implicitly and some need to be taught. Dr. Sherrie All, a

dementia care expert and licensed clinical neuropsychologist, will share with you her neuroscience-informed, best-practices for improving your communication and care strategies to help you be more successful day-to-day.
